Application for Registration as a Beekeeper

CORPORATION DETAILS

Details to be completed where applicant is a corporation (names and addresses of Director, Secretary and/or Executive Officer)

FULL NAME	POSITION	ADDRESS

REGISTRATION FEE

Please calculate the correct fee by completing the following table.

You will not be registered if the correct fee is not paid in full by the due date.

	Number of hives you currently own or manage		Number of hives for registration purposes	Compensation levy	Total fee
Production hives		=			
Nucleus hives *		÷ 4 =			
Total hives				\$3.00 per 10 hives or part thereof	
Administration fee					\$ 40.00
Total payable:					

Production hives	69	=	69		
Nucleus hives*	9	÷ 4 =	2.25 = 3		
Total hives			72	\$3.00 × 8	\$ 24.00
Administration fee					\$ 40.00
Total payable:					\$ 64.00

* 4 nucleus hives are equivalent to 1 production hive for registration purposes, so the number of nucleus hives is divided by 4. Round the figure up to the next whole number e.g. 9 nucleus hives = 3 for registration purposes.

Registration is valid for two years and must be renewed before the expiry date. The day and month of expiry are the same as the original date of registration. For example, if a beekeeper is first registered on 13 March 2004, then renewal of registration is due by 13 March 2006, 13 March 2008 and so on.
